OAS SCHOLARSHIPS FOR GRADUATE AND UNDERGRADUATE ACADEMIC STUDIES OR GRADUATE RESEARCH FOR THE 2012-2013 CYCLE

**The call for applications for the 2012-2013 OAS Academic Scholarships
cycle CLOSED on April 15th, 2011.**

About OAS Academic Scholarships

OAS Academic Scholarships are awarded to persons to undertake undergraduate or graduate studies (Bachelor's, Master's, or Doctorate degree) and/or graduate research that lead to a degree at a university or higher learning institution in an [OAS Member State](#), with the exception of his/her own sponsoring country. Studies must be carried out on a full-time basis, and may be pursued by on-site or by distance education or a combination of both.

The scholarship is awarded for a period of no more than 2 academic years, and the renewal for the second academic year is subject to the availability of funds and granted only to continue the same program of study for which the scholarship was initially awarded.

The total financial award from the OAS may not exceed US\$30,000.00 per academic year which includes tuition, other scholarship benefits, and administrative costs.

The OAS/DHDEC does not award scholarships for studies in the [Medical Sciences](#) and the learning of new languages.

Types of Academic Scholarships

Graduate scholarships: there are two types of graduate scholarships:

- **Self-Placed:** Candidates apply directly for admission to the universities or educational institutions of their choice. **The average number of self-placed scholarships the OAS will award for each Member State is one per country. Thus, applicants who elect the self-placed scholarship option will have a smaller probability of being awarded an OAS scholarship.**
- **OAS-Placed:** The OAS/DHDEC seeks placement for those candidates selected for scholarships to universities or higher learning institutions within the OAS Consortium of Universities taking into consideration the candidates' preferred countries of study to the fullest extent possible.

Undergraduate Scholarships are offered only to candidates from the English-speaking Caribbean Member States, as a Self-Placed scholarship, for the last two years of study leading to an undergraduate degree (Bachelor's degree). To apply for this classification of scholarship, the student must: 1) be enrolled in the program of study and eligible to graduate within 2 academic years from the date of the award, or 2) be accepted into the university where he/she plans to study for the last two years of the undergraduate degree (admission letter must state that the applicant will complete the program of studies

within 2 academic years). For option 2, applicants that need to transfer credits from previous post-secondary studies in order to comply with the OAS requirement to graduate within 2 academic years must complete this process with the host institution on their own. If a candidate is selected to receive an OAS scholarship, he/she will need to provide the OAS with an official letter from the host institution attesting to the total number of credits successfully transferred before the scholarship award documents can be issued.

Key Eligibility Requirements for Applicants

1. Applicants must be citizens or permanent residents of an OAS Member State.
2. Applicants for graduate studies must have obtained a university degree by the time they submit their scholarship applications to their [National Liaison Offices](#) (ONE).
3. Applicants must be in good physical and mental health to complete the program successfully.
4. Applicants must possess the language competence to undertake studies in the language of the institution or country of study. Applicants interested in studying or doing research in Brazil could be offered intensive Portuguese language training if awarded an OAS scholarship.
5. Applicants for on-site studies must agree to return to reside in the sponsoring country for a period of no less than twenty-four (24) months after completing the program of study covered by the OAS scholarship. Applicants for online studies must agree to remain in the sponsoring country for the same period of time.

Awardees granted with an OAS-placed scholarship, will be required to submit original documents and notarized/stamped copies of the diploma for placement purposes.

Awardees granted with an OAS-placed scholarship to study in a country where the curriculum is taught in a language other than the one in which he or she completed previous studies will be required to submit official translations of the diploma and transcripts of highest degree obtained at the time of the announcement of selected candidates.

Selection Process

1. Applicants apply for an OAS scholarship through their sponsoring country **ONEs**
2. Each ONE establishes a deadline for applicants to submit their scholarship applications, with special consideration for the schedule established by the DHDEC in order to receive, evaluate and submit preselected candidates to the OAS in Washington DC in a timely manner.
3. All complete applications received on time that meet the eligibility requirements stated in this scholarship announcement are evaluated and ranked by the sponsoring country's National Commission who, in turn, recommends a list of 11 pre-selected candidates (8 graduates and 3 undergraduates) to the OAS/DHDEC.
4. The ONEs forward the application files of sponsored pre-selected candidates to OAS Headquarters ranked and with a written justification for said ranking.
5. The OAS/DHDEC presents only complete applications of pre-selected candidates that comply with eligibility requirements to an international committee -the Academic and Technical Studies Scholarship Selection Committee (ATSSSC)- appointed by the Secretary General of the OAS. This Committee reviews, evaluates and ranks candidates to recommend for OAS scholarships to the Secretary General of the OAS.
6. Based on available financing and using the ranked, selected candidates list prepared by the ATSSSC, the OAS/DHDEC determines how many scholarships can be financed and awarded, and presents a list to the OAS Secretary General for his approval.
7. The OAS/DHDEC informs the Permanent Mission of the Member States to the OAS, the OAS Country Offices, and the ONEs about the OAS scholarships awards. ONEs will in turn notify the awardees of the selection results.
8. Self-placed awardees (already admitted to an educational institution), will receive an OAS Scholarship contract specifying the terms of the scholarship.
9. OAS-placed awardees must sign a preliminary placement agreement issued by the OAS/DHDEC. The OAS Scholarship contract will be issued once the placement in the institution of higher learning has been completed and approved.
10. If feasible, the sponsoring country will enter into a separate contract with the awardee to ensure reimbursement of the scholarship cost to the OAS/DHDEC if the awardee fails to return to reside in his/her sponsoring country after completion of the program of study covered by the scholarship, or violates any of the terms and conditions set forth in the Scholarship Contract and the Manual of Procedures.
